A wide-angle photograph of a coastal dune landscape. A wooden boardwalk, made of dark grey planks, starts in the lower foreground and curves gently to the right, leading the viewer's eye into the distance. The dunes are covered in a mix of green grasses and low-lying shrubs, with patches of light-colored sand visible on the higher ridges. In the far background, a line of dark evergreen trees marks the horizon under a heavy, overcast sky with soft, grey clouds.
